

CONTINUING EDUCATION

Position: Adjunct Instructor

Part Time - Contract Positions (No benefits)

In Health & Medical Continuing Education Program. We currently have openings for SC DHEC certified EMT-Paramedic Instructors to teach in our EMT-Basic program. Class times are available for morning and afternoon.

Job duties may include, but are not limited to:

- Preparation and instruction of classes in classroom, skills lab, and clinical setting
- Assisting with development of outlines, subject matter, tests and materials for the EMT-Basic program
- Maintaining class records and course documents.

Preferred candidates will have two years' of EMT-Basic teaching experience. EMT-Ps who are not certified but interested must successfully complete an EMT-Basic class shadowing for a minimum of 40 hours (non-paid) and then may apply for a position to teach.

To apply:

Please send cover letter, resume, certifications and the South Carolina state application form found at
