Company Registration/Billing

Company Registration/Billing may be handled three ways:

a. By letter of authorization on company letterhead with the company's address, phone number, and point of contact information along with the statement of authorization to bill
b. By purchase order
c. By company check or company credit card

Each request to register and bill must include the personal information listed above along with either a letter of authorization, purchase order, check or credit card information.

For information or to register by phone, please call our registration office at (803) 732-0432, or you can register online with a credit card at **mtctraining.com**.
